Tell your patient: Attending a cardiac rehabilitation program is the best way to recover after a cardiac event. The patient's name and telephone number will be sent to the cardiac rehabilitation program in Winnipeg, Brandon, Thunder Bay or The Pas. Patient will either receive a letter and/ or a telephone call at home from a staff member at the cardiac rehabilitation program. Patients from The Pas are referred back to the Northern Heart Health Program. The following list of communities that the Northern Heart Health Program at The Pas Wellness Centre will provide community follow-up includes: The Pas, Flin Flon, Grand Rapids, Easterville, Opaskwayak Cree Nation, Cranberry Portage, Sherridon, Snow Lake, Pukatawagan, Moose Lake and Cormorant. For further information contact the public health/chronic disease nurse at 1-204-627-6418. ONLY For referrals to The Pas: Dr. Kostyk/The Pas Wellness Centre, please see this patient in referral attached: Discharge Summary (if not attached, will follow) Signature MD:
